Training Handbook

Respect the roll.

Complete the Quest.

Leave more capable than you arrived.

Adventurer: _____

Summer: 20____

WELCOME

SummerQuest is a game about becoming more capable. Every Quest is an opportunity to build a real skill, create something new, solve a problem, or experience something you have never done before.

There are no levels and no experience points. Your accomplishments are real. Complete Quests, earn Quest Tokens, and collect your work in your Quest Binder.

Some Quests will strengthen your body. Others will challenge your imagination. Some will ask you to build, explore, research, or create. A few may surprise you.

Good luck. Your training begins now.

THE RULES

1. Roll a d20.
2. On a natural 20, complete a Mystery Quest.
3. Otherwise determine your Guild from the Quick Reference sheet.
4. Roll a d10 for your Quest.
5. Complete the Quest.
6. Earn one Quest Token.
7. Save your work in your Quest Binder.

Three rerolls are available each week. After that, the dice decide.

Respect the roll.

THE SEVEN GUILDS

Warrior Train your body.

Artist Create original works.

Maker Build and invent.

Adventure Explore science and nature.

Wisdom Learn how to think.

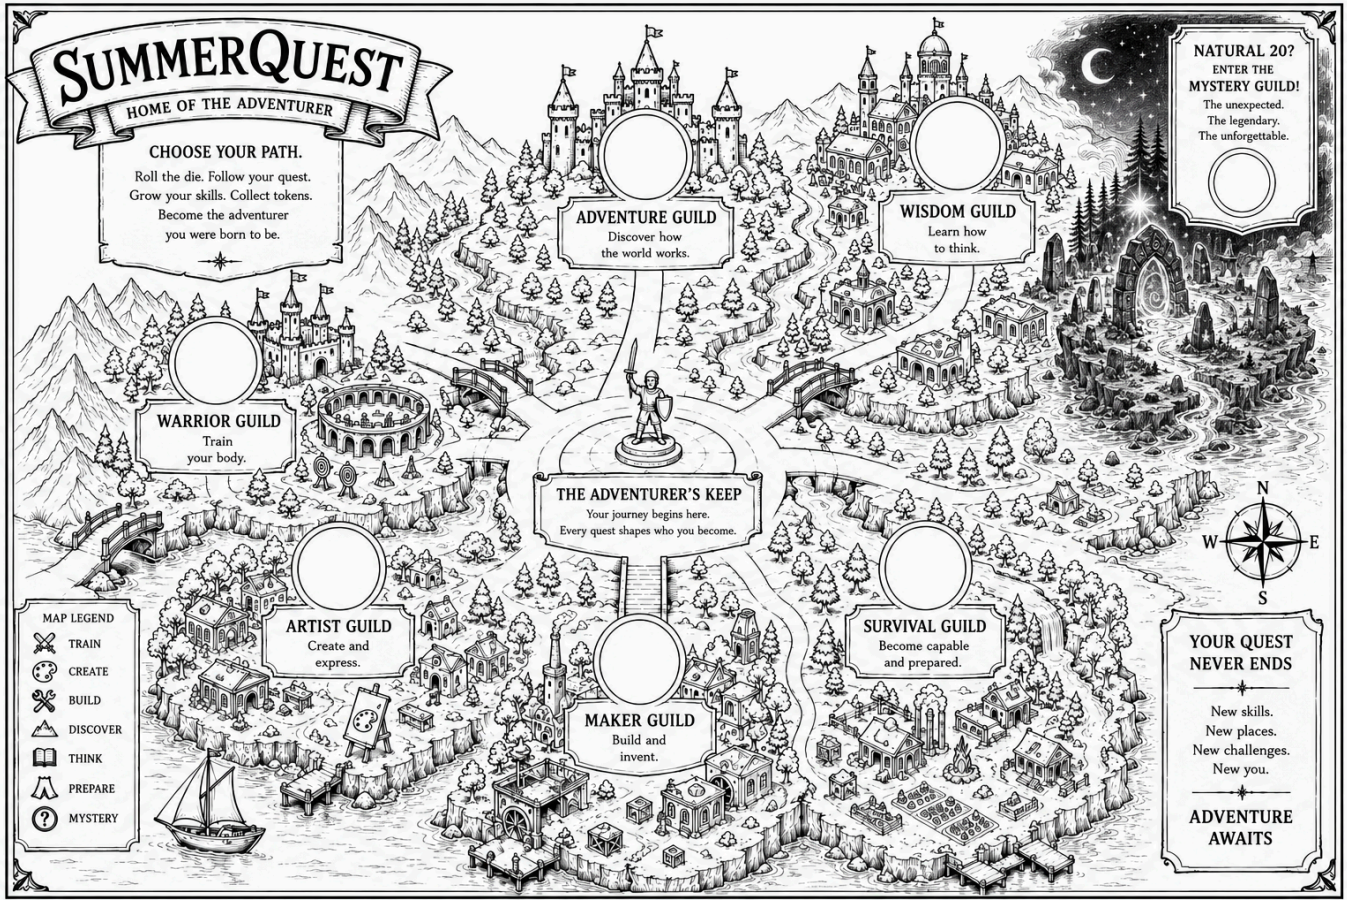

Survival Become more independent.

Mystery Unlocked only on a natural 20.

QUEST BINDER

Keep everything: drawings, photos, stories, notes, maps, experiments, ideas, movie screenshots, and printed certificates.

Your Quest Binder becomes the record of your summer.

WR-01 — WARRIOR CIRCUIT

YOUR QUEST

Today you will complete a full-body training circuit.

Your goal is not to be perfect.

Your goal is to finish.

1. Warm up for five minutes.

2. Complete:

• 10 Push-ups

• 15 Squats

• 10 Sit-ups

• 20 Jumping Jacks

• 20 Second Plank

3. Repeat the circuit three times.

4. Stretch.

5. Drink water.

YOU'LL NEED

• Comfortable clothes

• Water

• Timer (optional)

QUEST COMPLETE

☐ I completed three circuits.

☐ I stretched.

☐ I cleaned up my workout area.

BONUS CHALLENGE

Beat your previous completion time.

IF YOU GET STUCK

Choose an easier version of an exercise instead of skipping it.

WR-02 — SWORD & SHIELD PRACTICE

YOUR QUEST

Practice control, balance and coordination using safe foam equipment or homemade substitutes.

1. Practice five guard positions.
2. Practice five basic strikes.
3. Move while keeping your guard up.
4. Create a three-move combination.
5. Perform your combination ten times.

YOU'LL NEED

- Foam sword
- Foam shield
- Open space

QUEST COMPLETE

☐ I practiced every guard.

☐ I completed my combination.

☐ I practiced safely.

BONUS CHALLENGE

Invent a second combination using different movements.

IF YOU GET STUCK

Watch one beginner sword movement video, then continue practicing.

WR-03 — PUNCHING BAG CHALLENGE

YOUR QUEST

Train speed, power and endurance using controlled strikes.

Focus on technique before strength.

1. Warm up.

2. Complete five one-minute rounds.

3. Rest one minute between rounds.

4. Focus on clean technique.

5. Cool down afterwards.

YOU'LL NEED

• Punching bag

• Gloves (optional)

• Water

QUEST COMPLETE

☐ I completed five rounds.

☐ I kept good control.

☐ I cooled down properly.

BONUS CHALLENGE

Count your punches during one round and try to beat that score next time.

IF YOU GET STUCK

Slow down.

Good technique is more important than hitting hard.

WR-04 — NINJA COURSE

YOUR QUEST

Every warrior learns by overcoming obstacles.

Today you will design, build, improve, and conquer your own Ninja Course. A good warrior doesn't just complete a challenge—they make it better.

1. Build an obstacle course with at least five different obstacles.

2. Walk through the course once to make sure everything is safe.

3. Complete the course three times.

4. Change or improve one obstacle to make the course more fun or more difficult.

5. Complete one final timed run.

YOU'LL NEED

• Chairs, cones, buckets, sticks, chalk, rope, or other safe obstacles

• Stopwatch (optional)

• Water

QUEST COMPLETE

☐ I built a Ninja Course.

☐ I completed three runs.

☐ I improved my course.

☐ I completed one final run.

BONUS CHALLENGE

Teach someone else your Ninja Course and see if they can beat your best time.

IF YOU GET STUCK

Search for "backyard obstacle course ideas" or invent an obstacle using everyday household objects.

WR-05 — SWIMMING CHALLENGE

YOUR QUEST

Water teaches confidence, endurance, and control.

Today's Quest is to become a better swimmer by practicing one skill and challenging your endurance.

1. Warm up by swimming two easy laps.

2. Choose one skill to practice:

• Freestyle

• Backstroke

• Breaststroke

• Floating

• Treading water

3. Practice that skill for at least fifteen minutes.

4. Finish with an endurance swim.

5. Cool down and stretch.

YOU'LL NEED

• Swimming pool

• Swim gear

• Adult supervision

QUEST COMPLETE

☐ I practiced one swimming skill.

☐ I completed my endurance swim.

☐ I cooled down afterward.

BONUS CHALLENGE

Learn one completely new swimming skill before leaving the pool.

IF YOU GET STUCK

Ask someone to demonstrate one technique, then practice it several times on your own.

WR-06 — BALANCE MASTER

YOUR QUEST

Great warriors stay calm even when the ground beneath them is uncertain.

Today's Quest is to improve your balance, body control, and focus.

1. Walk a straight line forward five times.

2. Walk the same line backward.

3. Balance on one foot for thirty seconds on each side.

4. Create three new balance challenges using objects around you.

5. Complete every challenge without giving up.

YOU'LL NEED

• Tape, chalk, curb, balance beam, log, or similar object

• Small safe objects to balance

QUEST COMPLETE

☐ I completed every balance challenge.

☐ I created three new challenges.

☐ I improved my balance.

BONUS CHALLENGE

Balance while carrying a small object or complete one challenge with your eyes closed (only if completely safe).

IF YOU GET STUCK

Start with easier challenges first. Balance improves with practice, not speed.

WR-07 — WARRIOR ENDURANCE

YOUR QUEST

Strength helps you begin.

Endurance helps you finish.

Today's Quest is to keep moving long after you feel like stopping.

1. Choose one endurance activity.

2. Set a goal of thirty minutes.

3. Keep a steady pace.

4. Do not quit early unless you are injured or unsafe.

5. Finish with stretching and water.

YOU'LL NEED

Choose one:

• Bike

• Hiking trail

• Jump rope

• Running shoes

• Open outdoor space

QUEST COMPLETE

☐ I completed my endurance activity.

☐ I stayed determined.

☐ I stretched afterward.

BONUS CHALLENGE

Continue for five extra minutes after reaching your goal.

IF YOU GET STUCK

Slow down instead of stopping. Finishing matters more than speed.

WR-08 — REFLEX TRAINING

YOUR QUEST

Quick reactions come from practice.

Today's Quest is to sharpen your reflexes through games and drills.

1. Warm up for five minutes.

2. Complete three different reaction drills.

3. Repeat each drill until you improve.

4. Try one harder variation.

5. Record your best score or fastest reaction.

YOU'LL NEED

Choose one or more:

• Tennis ball

• Reaction app

• Partner (optional)

• Wall

QUEST COMPLETE

☐ I completed three drills.

☐ I improved one score.

☐ I challenged myself.

BONUS CHALLENGE

Create your own reflex game and teach it to someone else.

IF YOU GET STUCK

If one drill feels too difficult, switch to another and return later.

WR-09 — TARGET MASTER

YOUR QUEST

A warrior learns precision before power.

Today's Quest is to improve your accuracy using safe targets.

1. Set up five targets.
2. Throw or aim ten times.
3. Move farther away.
4. Repeat.
5. Count your successful hits.

YOU'LL NEED

• Safe throwing object

• Targets

• Open space

QUEST COMPLETE

☐ I completed every round.

☐ I improved my accuracy.

☐ I counted my successful hits.

BONUS CHALLENGE

Invent a trick shot or moving target challenge.

IF YOU GET STUCK

Move closer to the targets until you begin making consistent hits.

WR-10 — WARRIOR TRIAL

YOUR QUEST

Today you will combine everything you have practiced throughout the Warrior Guild.

A true warrior trains every skill together.

1. Choose three previous Warrior Quests.

2. Complete a shortened version of each.

3. Rest between challenges.

4. Finish with stretching.

5. Record which Warrior Quest has been your favorite so far.

YOU'LL NEED

Any equipment from previous Warrior Quests.

QUEST COMPLETE

☐ I completed all three challenges.

☐ I finished strong.

☐ I recorded my favorite Warrior Quest.

BONUS CHALLENGE

Design your own Warrior Trial using five different Warrior skills.

IF YOU GET STUCK

Choose easier versions of the earlier Quests. Completing the Trial is more important than making it difficult.

A

ARTIST GUILD

Create Boldly

□□□□□□□□□□

Artists do more than make beautiful things.

They solve problems, communicate ideas, tell stories, and imagine worlds that did not exist before.

Every Quest in this Guild asks you to create something original. There is no single "correct" answer. Trust your imagination, finish what you start, and save your work in your Quest Binder.

AR-09 □	Graphic Designer
AR-10 □	Passion Project

AR-01 — CHARACTER CREATOR

YOUR QUEST

Every great story begins with an unforgettable character.

Today you will design a brand-new hero, villain, monster, or explorer from your imagination.

1. Choose what kind of character you want to create.

2. Draw a full-body picture.

3. Give your character a name.

4. Write three interesting facts about them.

5. Decide what makes them unique.

YOU'LL NEED

• Paper or sketchbook

• Pencil

• Colored pencils or markers (optional)

QUEST COMPLETE

☐ I created an original character.

☐ My character has a name.

☐ I wrote three facts.

☐ I saved it in my Quest Binder.

BONUS CHALLENGE

Design an enemy or best friend for your character.

IF YOU GET STUCK

Combine two things you already like (robot + pirate, wizard + dinosaur, etc.) and build from there.

AR-02 — COMIC CREATOR

YOUR QUEST

Stories don't need many words if the pictures tell the story well.

Create a short comic that has a beginning, middle, and ending.

1. Decide on a simple story.

2. Divide your paper into 4–8 comic panels.

3. Draw each scene.

4. Add speech bubbles if needed.

5. Give your comic a title.

YOU'LL NEED

• Paper

• Pencil

• Coloring supplies (optional)

QUEST COMPLETE

☐ My comic tells a complete story.

☐ Every panel is finished.

☐ I gave it a title.

BONUS CHALLENGE

Create a sequel.

IF YOU GET STUCK

Start with one funny or exciting moment, then work backward to create the beginning.

AR-03 — MOVIE DIRECTOR

YOUR QUEST

Movies are made one scene at a time.

Today you will plan, film, and finish a short movie.

1. Decide on a story.

2. Film at least five different shots.

3. Try close-up, wide, and moving camera angles.

4. Watch your movie.

5. Decide which scene is your favorite.

YOU'LL NEED

• Tablet or phone

• Simple props

QUEST COMPLETE

☐ I filmed a complete movie.

☐ I used different camera shots.

☐ I watched the finished movie.

BONUS CHALLENGE

Film the same story from another character's point of view.

IF YOU GET STUCK

Keep your story simple. Even a one-minute movie can tell a great story.

AR-04 — VIDEO EDITING STUDIO

YOUR QUEST

Editing is where movies truly come together.

Today you will turn raw footage into a finished video.

1. Import your footage.

2. Remove unwanted clips.

3. Arrange your scenes.

4. Add titles or music.

5. Export the finished video.

YOU'LL NEED

• Computer or tablet

• Video editing software

• Video clips

QUEST COMPLETE

☐ I finished my edit.

☐ My movie has a beginning and ending.

☐ I exported the final version.

BONUS CHALLENGE

Learn one new editing technique from a tutorial and use it.

IF YOU GET STUCK

Search for one beginner tutorial for your editing software and complete only the first lesson before continuing.

AR-05 — PIANO STUDIO

YOUR QUEST

Practice turns difficult songs into easy songs.

Today's Quest is to improve one musical skill.

1. Warm up.

2. Practice one song.

3. Practice one difficult section slowly.

4. Play the entire song.

5. End by playing something just for fun.

YOU'LL NEED

• Piano or keyboard

QUEST COMPLETE

☐ I practiced carefully.

☐ I improved one difficult section.

☐ I played through my song.

BONUS CHALLENGE

Perform your song for someone.

IF YOU GET STUCK

Slow the music down instead of playing faster.

AR-06 — SYNTH SOUND LAB

YOUR QUEST

Electronic instruments create sound in amazing ways.

Today you will become a sound explorer.

1. Choose one sound.

2. Change one knob at a time.

3. Listen carefully to what changes.

4. Create your own original sound.

5. Save it if possible.

YOU'LL NEED

• Synthesizer

• Headphones (optional)

QUEST COMPLETE

☐ I explored several controls.

☐ I created a new sound.

☐ I learned what one control does.

BONUS CHALLENGE

Try to recreate a sound from a favorite game or movie.

IF YOU GET STUCK

Experiment with only one control at a time so you can hear exactly what changes.

AR-07 — MINIATURE PAINTER

YOUR QUEST

Bring a tiny world to life with color.

1. Choose your colors.
2. Paint the largest areas first.
3. Add smaller details.
4. Let the miniature dry.
5. Display your finished work.

YOU'LL NEED

- Miniature
- Paints
- Brush
- Water

QUEST COMPLETE

☐ My miniature is completely painted.

☐ I added details.

☐ I cleaned my brushes.

BONUS CHALLENGE

Create a custom color scheme instead of copying an existing one.

IF YOU GET STUCK

Paint one section at a time. Small progress adds up quickly.

AR-08 — MUSIC DETECTIVE

YOUR QUEST

Great musicians learn by listening.

Today you will investigate a piece of music like a detective.

1. Choose one song.

2. Listen without doing anything else.

3. Identify as many instruments as you can.

4. Describe the mood.

5. Write one idea you want to borrow in your own music.

YOU'LL NEED

• Music player

• Notebook

QUEST COMPLETE

☐ I listened carefully.

☐ I identified instruments.

☐ I recorded one musical idea.

BONUS CHALLENGE

Listen to the same song a second time and see what you missed.

IF YOU GET STUCK

Close your eyes while listening and focus on hearing one instrument at a time.

AR-09 — GRAPHIC DESIGNER

YOUR QUEST

Good design helps people understand ideas.

Today you will create something that communicates clearly.

Create ONE of the following:

• Poster

• Logo

• Album cover

• Book cover

• Game box

Then explain why you made your design choices.

YOU'LL NEED

• Paper or computer

QUEST COMPLETE

☐ I finished my design.

☐ My design communicates an idea.

☐ I explained my choices.

BONUS CHALLENGE

Create a second version using a completely different style.

IF YOU GET STUCK

Choose only two colors and build your design from simple shapes.

AR-10 — PASSION PROJECT

YOUR QUEST

Sometimes the best creative work cannot be finished in one day.

Today you may continue any creative project that truly excites you.

1. Choose an unfinished creative project.
2. Work for at least 45 minutes.
3. Improve one major part.
4. Save your progress.
5. Decide what your next step will be.

YOU'LL NEED

Whatever your project requires.

QUEST COMPLETE

☐ I worked for the full session.

☐ I made noticeable progress.

☐ I saved my work.

BONUS CHALLENGE

Share your project with someone and ask what they liked most.

IF YOU GET STUCK

Work on only one small part of your project. Progress is more important than perfection.

M

MAKER GUILD

Build Something

□□□□□□□□□□

Makers look at the world differently.

Where other people see ordinary objects, Makers see possibilities.

Every Quest in this Guild asks you to build, invent, experiment, or solve a problem. There is almost never one correct answer. Try ideas. Test them. Improve them. If something fails, you've learned something.

A Maker never quits after the first attempt.

MK-01 — ROBLOX BUILDER

YOUR QUEST

Today you will begin learning how real games are made by building something inside Roblox Studio.

1. Open Roblox Studio.

2. Complete one beginner tutorial or guided lesson.

3. Build one small scene or obstacle.

4. Change at least three objects.

5. Save your project.

YOU'LL NEED

• Computer

• Roblox Studio

QUEST COMPLETE

☐ I completed a lesson.

☐ I built something original.

☐ I saved my work.

BONUS CHALLENGE

Add a moving object or interactive part.

IF YOU GET STUCK

Search for an official Roblox Studio beginner tutorial and complete only the next lesson before continuing.

MK-02 — SNAP CIRCUITS CHALLENGE

YOUR QUEST

Electricity powers much of the modern world.

Today's Quest is to build working electrical circuits and discover how they work.

1. Build one beginner circuit.

2. Test it.

3. Change one component.

4. Observe what changed.

5. Build a second circuit.

YOU'LL NEED

• Snap Circuits kit

QUEST COMPLETE

☐ I built two circuits.

☐ I tested both.

☐ I discovered something new.

BONUS CHALLENGE

Invent your own circuit using parts from previous lessons.

IF YOU GET STUCK

Follow the instruction book carefully, then experiment after your circuit works.

MK-03 — LEGO ENGINEERING

YOUR QUEST

Great engineers build structures that are both creative and strong.

Choose ONE challenge.

• Strongest bridge

• Fastest vehicle

• Tallest tower

• Coolest house

• Weirdest invention

Spend the entire Quest improving your design.

YOU'LL NEED

• LEGO or compatible building bricks

QUEST COMPLETE

☐ I finished my build.

☐ I improved it at least once.

☐ I tested it.

BONUS CHALLENGE

Take your build apart and rebuild it even better.

IF YOU GET STUCK

Start with a simple idea. Improve it one piece at a time.

MK-04 — CHAIN REACTION MACHINE

YOUR QUEST

Can you build a machine where one action causes another?

Today's goal is to create a simple chain reaction.

1. Design your chain reaction.

2. Build it.

3. Test it.

4. Improve it.

5. Successfully complete one full run.

YOU'LL NEED

Household objects such as:

• Books

• Dominoes

• Marbles

• String

• Cups

• Blocks

QUEST COMPLETE

☐ My machine worked.

☐ I solved at least one problem.

☐ I improved my design.

BONUS CHALLENGE

Add one completely new step to your machine.

IF YOU GET STUCK

Make one section work before adding another.

MK-05 — THEME PARK DESIGNER

YOUR QUEST

Imagine you have been hired to design the world's greatest amusement park.

Draw a map that includes:

• Entrance

• Three rides

• Food area

• Water attraction

• One original attraction

Label everything clearly.

YOU'LL NEED

• Paper

• Pencil

• Colored pencils (optional)

QUEST COMPLETE

☐ My park is complete.

☐ Every attraction has a purpose.

☐ My map is labeled.

BONUS CHALLENGE

Create a mascot for your park.

IF YOU GET STUCK

Begin with the entrance and build outward.

MK-06 — CARDBOARD INVENTOR

YOUR QUEST

Invent something useful using only simple materials.

Build one invention that solves a real problem.

Examples:

• Phone stand

• Marble maze

• Storage box

• Desk organizer

• Catapult

YOU'LL NEED

• Cardboard

• Tape

• Scissors

• Recycled materials

QUEST COMPLETE

☐ I built my invention.

☐ It works.

☐ I tested it.

BONUS CHALLENGE

Improve your invention after testing it.

IF YOU GET STUCK

Look around your room for a problem that needs solving.

MK-07 — FIRST CODE

YOUR QUEST

Computers only do exactly what you tell them.

Today's Quest is to learn how to give clear instructions through code.

1. Complete one beginner coding lesson.

2. Solve every puzzle.

3. Learn one new coding idea.

4. Finish the lesson.

5. Explain what you learned in one sentence.

YOU'LL NEED

• Computer

• Beginner coding website

QUEST COMPLETE

☐ I completed the lesson.

☐ I solved the puzzles.

☐ I learned one new idea.

BONUS CHALLENGE

Complete one extra lesson.

IF YOU GET STUCK

Read the instructions carefully before trying another answer.

MK-08 — BOARD GAME INVENTOR

YOUR QUEST

Design a game someone else could actually play.

Create:

• Goal

• Rules

• Board

• Win condition

Then play one test game.

YOU'LL NEED

• Paper

• Pencil

• Dice

• Tokens

QUEST COMPLETE

☐ My game works.

☐ Someone could understand the rules.

☐ I tested it.

BONUS CHALLENGE

Improve one rule after testing.

IF YOU GET STUCK

Keep your rules simple. The best games are often easy to learn.

MK-09 — TALLEST TOWER CHALLENGE

YOUR QUEST

Build the tallest free-standing tower you can.

1. Build.

2. Measure.

3. Improve.

4. Test stability.

5. Build again.

YOU'LL NEED

Choose building materials such as:

• Blocks

• Cups

• LEGO

• Books

• Cardboard

QUEST COMPLETE

☐ My tower stands on its own.

☐ I improved my design.

☐ I measured my final height.

BONUS CHALLENGE

Build an even taller tower using fewer pieces.

IF YOU GET STUCK

A strong base is usually more important than a tall beginning.

MK-10 — MAKER'S CHOICE

YOUR QUEST

Today you become the inventor.

Choose one building project you've always wanted to try and spend the session making it real.

1. Decide what to build.
2. Gather your materials.
3. Build carefully.
4. Improve your design.
5. Save or display your finished work.

YOU'LL NEED

Whatever your project requires.

QUEST COMPLETE

☐ I finished my project.

☐ I improved it.

☐ I cleaned my workspace.

BONUS CHALLENGE

Teach someone else how you built it.

IF YOU GET STUCK

Break your project into small pieces and solve one problem at a time.

AD-01 — MAD SCIENTIST

YOUR QUEST

Scientists learn by testing ideas.

Today you will perform one real experiment and observe what happens.

1. Choose one experiment.

2. Read the instructions before beginning.

3. Predict what will happen.

4. Perform the experiment.

5. Record what actually happened.

YOU'LL NEED

• Science experiment kit or

• Science book or

• Household experiment materials

QUEST COMPLETE

☐ I completed my experiment.

☐ I made a prediction.

☐ I recorded my observations.

BONUS CHALLENGE

Change one part of the experiment and predict how the results will change.

IF YOU GET STUCK

Choose a simpler experiment first. Understanding one experiment is better than rushing through several.

AD-02 — NATURE DETECTIVE

YOUR QUEST

The natural world is full of clues waiting to be discovered.

Today you will become a field scientist.

1. Explore outside for at least 30 minutes.

2. Observe at least five different living things.

3. Sketch three of them.

4. Identify as many as you can.

5. Write one interesting fact about your favorite discovery.

YOU'LL NEED

• Notebook

• Pencil

• Magnifying glass (optional)

• Identification book or app (optional)

QUEST COMPLETE

☐ I explored outside.

☐ I made three sketches.

☐ I identified something new.

BONUS CHALLENGE

Return tomorrow and see what has changed.

IF YOU GET STUCK

Sit quietly in one place for five minutes. Nature often comes to you.

AD-03 — SKY WATCH

YOUR QUEST

The sky is always changing.

Today you will become an observer of the world above you.

1. Spend at least 20 minutes watching the sky.

2. Sketch the clouds or anything interesting you see.

3. Identify different cloud types if possible.

4. Watch birds, aircraft, or other movement.

5. Write one question about something you observed.

YOU'LL NEED

• Notebook

• Pencil

QUEST COMPLETE

☐ I observed the sky.

☐ I made a sketch.

☐ I wrote one question.

BONUS CHALLENGE

Observe the sky again later in the day and compare what changed.

IF YOU GET STUCK

Remember that asking good questions is just as important as finding answers.

AD-04 — PAPER AIRPLANE LAB

YOUR QUEST

Engineers improve designs by testing them.

Today you will discover what makes paper airplanes fly farther and better.

1. Build three different paper airplanes.

2. Test each one five times.

3. Measure or estimate each flight.

4. Improve your favorite design.

5. Test it again.

YOU'LL NEED

• Paper

• Measuring tape (optional)

QUEST COMPLETE

☐ I built three airplanes.

☐ I tested each design.

☐ I improved one airplane.

BONUS CHALLENGE

Invent your own airplane design instead of following instructions.

IF YOU GET STUCK

Change only one thing at a time so you know what made the difference.

AD-05 — SOUND EXPLORER

YOUR QUEST

Sound is invisible, but it follows rules that scientists can study.

Today you will explore sound using a synthesizer and, if available, an oscilloscope.

1. Play one note.

2. Change one control at a time.

3. Observe how the sound changes.

4. Watch the waveform if an oscilloscope is available.

5. Create your favorite sound and save it if possible.

YOU'LL NEED

• Synthesizer

• Headphones (optional)

• Oscilloscope app or display (optional)

QUEST COMPLETE

☐ I explored several sounds.

☐ I observed at least one waveform.

☐ I created a new sound.

BONUS CHALLENGE

Try to imitate a sound from nature or a favorite video game.

IF YOU GET STUCK

Experiment with only one knob at a time so you can clearly hear what changed.

AD-06 — FIRST CODE

YOUR QUEST

Programming teaches computers how to solve problems.

Today you will complete one beginner coding lesson.

1. Complete one beginner lesson.

2. Solve every puzzle.

3. Learn one new coding idea.

4. Finish the lesson.

5. Explain your favorite thing you learned.

YOU'LL NEED

• Computer

• Beginner coding website

QUEST COMPLETE

☐ I completed the lesson.

☐ I solved every puzzle.

☐ I learned something new.

BONUS CHALLENGE

Complete one additional coding challenge.

IF YOU GET STUCK

Read the hints before asking for help.

AD-07 — MICROSCOPE EXPLORER

YOUR QUEST

Some of the most amazing discoveries are too small to see with your eyes alone.

1. Observe at least five different objects.

2. Sketch your favorite one.

3. Compare two different objects.

4. Change the magnification.

5. Record your most surprising discovery.

YOU'LL NEED

• Microscope

• Prepared slides or safe objects

• Notebook

QUEST COMPLETE

☐ I explored five objects.

☐ I made a sketch.

☐ I discovered something unexpected.

BONUS CHALLENGE

Photograph one microscope view.

IF YOU GET STUCK

Start with something simple like paper, fabric, or a leaf.

AD-08 — MYTHBUSTERS

YOUR QUEST

Scientists test ideas instead of simply believing them.

Today you will investigate one common myth.

1. Choose one myth.

Examples:

• Does toast always land butter-side down?

• Which paper airplane flies farther?

• Does heavier always fall faster?

2. Predict the result.

3. Test it fairly.

4. Record your observations.

5. Decide whether the myth was busted, confirmed, or still uncertain.

YOU'LL NEED

Whatever your experiment requires.

QUEST COMPLETE

☐ I tested a myth.

☐ I recorded evidence.

☐ I reached a conclusion.

BONUS CHALLENGE

Design a better experiment.

IF YOU GET STUCK

Search online for "easy Mythbusters experiments."

AD-09 — LIGHT LABORATORY

YOUR QUEST

Light behaves in amazing ways.

Today you will experiment with reflections, shadows, colors, and optical illusions.

1. Create three different shadows.

2. Explore reflections.

3. Experiment with light through water or glass.

4. Try one optical illusion.

5. Record your favorite discovery.

YOU'LL NEED

• Flashlight

• Mirror

• Water

• Magnifying glass (optional)

QUEST COMPLETE

☐ I explored light.

☐ I created an illusion or reflection.

☐ I recorded a discovery.

BONUS CHALLENGE

Invent your own optical illusion.

IF YOU GET STUCK

Experiment in both a bright room and a dark room to compare the results.

AD-10 — GREAT MYSTERY

YOUR QUEST

Some questions still do not have complete answers.

Today's Quest is to explore one of humanity's greatest mysteries.

Choose one topic such as:

• Dreams

• Consciousness

• Life on other worlds

• Ghost stories

• The beginning of the universe

• Dark matter

• Time

1. Choose one mystery.

2. Learn about it from at least two different sources.

3. Write down the most interesting ideas.

4. Decide what you currently think.

5. Write one new question you still have.

QUEST COMPLETE

☐ I explored one great mystery.

☐ I learned from multiple sources.

☐ I formed my own opinion.

BONUS CHALLENGE

Discuss your mystery with someone and compare your ideas.

IF YOU GET STUCK

Remember that some mysteries are still unsolved. Asking thoughtful questions is part of the Quest.

WD

WISDOM GUILD

Seek Understanding

□□□□□□□□□□

Knowledge is easy to collect.

Wisdom is much harder to earn.

The Wisdom Guild is about learning how to think—not what to think. Great thinkers ask difficult questions, compare ideas, challenge assumptions, and continue learning throughout their lives.

Every Quest in this Guild asks you to become a better thinker.

WD-01 — PHILOSOPHER'S QUESTION

YOUR QUEST

For thousands of years, philosophers have asked questions that still don't have simple answers.

Today you will think deeply about one of them.

1. Choose one question.

Examples:

• What makes someone a good person?

• What is courage?

• Is happiness more important than success?

• What makes something true?

2. Think about your own answer.

3. Find one philosopher who asked a similar question.

4. Compare your ideas.

5. Write what you agree and disagree with.

YOU'LL NEED

• Notebook

• Pencil

• Book or Internet

QUEST COMPLETE

☐ I explored one philosophical question.

☐ I compared another thinker's ideas.

☐ I formed my own opinion.

BONUS CHALLENGE

Discuss your ideas with someone else and compare your answers.

IF YOU GET STUCK

There isn't one correct answer. Explain your reasoning as clearly as you can.

WD-02 — GREAT WARRIOR CULTURES

YOUR QUEST

Many civilizations became famous for the way they trained their warriors.

Today you will investigate one of them.

Choose one:

• Spartans

• Samurai

• Vikings

• Knights

• Roman Legion

• Mongols

• Aztecs

1. Learn how they trained.

2. Learn what they believed.

3. Learn how they fought.

4. Find one interesting fact.

5. Decide which lesson still matters today.

YOU'LL NEED

• Book or Internet

• Notebook

QUEST COMPLETE

☐ I studied one warrior culture.

☐ I found something surprising.

☐ I identified one timeless lesson.

BONUS CHALLENGE

Compare two warrior cultures.

IF YOU GET STUCK

Focus on one interesting story instead of trying to learn everything.

WD-03 — CIVILIZATION EXPLORER

YOUR QUEST

Great civilizations shaped the modern world.

Today you will explore one of them.

Choose one civilization.

Examples:

• Ancient Egypt

• Rome

• Greece

• Maya

• China

• Persia

• Mesopotamia

Learn:

• Where they lived

• What they built

• Their greatest achievement

• One mystery that still exists

YOU'LL NEED

• Book or Internet

QUEST COMPLETE

☐ I explored one civilization.

☐ I discovered something surprising.

☐ I learned one lasting contribution.

BONUS CHALLENGE

Find a game, documentary, or museum exhibit related to your civilization.

IF YOU GET STUCK

Begin with maps before reading details.

WD-04 — TRUTH DETECTIVE

YOUR QUEST

Learning how to recognize reliable information is one of the most important skills you can develop.

1. Find two different sources about the same topic.

2. Compare them.

3. Decide what they agree on.

4. Decide what they disagree on.

5. Explain which source seems more trustworthy and why.

YOU'LL NEED

• Internet

• Notebook

QUEST COMPLETE

☐ I compared two sources.

☐ I found agreements.

☐ I explained my reasoning.

BONUS CHALLENGE

Find a third source and see whether it supports either side.

IF YOU GET STUCK

Look for evidence instead of opinions.

WD-05 — BRAIN GAMES

YOUR QUEST

Great thinkers train their minds just as warriors train their bodies.

Spend at least 45 minutes solving increasingly difficult mental challenges.

YOU'LL NEED

Choose any combination of:

• Logic puzzles

• Chess

• Sudoku

• Tangrams

• Math games

• Brain teasers

QUEST COMPLETE

☐ I completed multiple challenges.

☐ I solved something difficult.

☐ I kept trying when something was hard.

BONUS CHALLENGE

Create your own puzzle for someone else.

IF YOU GET STUCK

Take a short break, then return with a fresh perspective.

WD-06 — GREAT RELIGIONS

YOUR QUEST

People around the world have developed many different ways of understanding life.

Today's goal is to learn with curiosity and respect.

Choose one religion or philosophy you know very little about.

Learn:

• Where it began.

• Its basic beliefs.

• Important traditions.

• Something you found interesting.

YOU'LL NEED

• Book or Internet

QUEST COMPLETE

☐ I explored a different worldview.

☐ I learned respectfully.

☐ I found something interesting.

BONUS CHALLENGE

Compare two religions or philosophies.

IF YOU GET STUCK

Focus on understanding rather than deciding whether you agree.

WD-07 — ART DETECTIVE

YOUR QUEST

Every great painting tells a story.

Today's Quest is to investigate one famous work of art.

1. Choose one famous artwork.

2. Observe it for five full minutes.

3. Write down everything you notice.

4. Learn about the artist.

5. Create your own version inspired by it.

YOU'LL NEED

• Internet or art book

• Notebook

QUEST COMPLETE

☐ I studied one artwork.

☐ I learned about the artist.

☐ I created my own interpretation.

BONUS CHALLENGE

Compare two artists from different time periods.

IF YOU GET STUCK

Spend longer looking before reading about it.

WD-08 — SPACE EXPLORER

YOUR QUEST

The universe is larger than we can easily imagine.

Today's Quest is to explore one part of it.

Choose one:

• Black holes

• Mars

• The Moon

• Galaxies

• Exoplanets

• Stars

• Space exploration

Learn five interesting facts and choose your favorite.

YOU'LL NEED

• Book, documentary or Internet

QUEST COMPLETE

☐ I explored one space topic.

☐ I learned five facts.

☐ I chose my favorite discovery.

BONUS CHALLENGE

Sketch what you learned.

IF YOU GET STUCK

Watch a short educational video before reading further.

WD-09 — THINK TANK

YOUR QUEST

Many difficult questions have more than one reasonable answer.

Today's Quest is to investigate both sides fairly.

Choose a question.

Examples:

• Should humans live on Mars?

• Should zoos exist?

• Should AI make important decisions?

Write three reasons supporting each side.

Finally, explain your own opinion.

YOU'LL NEED

• Notebook

• Internet or books

QUEST COMPLETE

☐ I explored both sides.

☐ I supported each side fairly.

☐ I formed my own conclusion.

BONUS CHALLENGE

Ask someone else what they think and compare your answers.

IF YOU GET STUCK

Pretend you must defend the side you disagree with.

WD-10 — WISDOM OF THE AGES

YOUR QUEST

Some ideas have survived for thousands of years because people continue finding them useful.

Today you will discover one timeless lesson and apply it.

1. Choose one historical quote or philosophical idea.

2. Learn its meaning.

3. Find a real-life situation where it applies.

4. Practice it today.

5. Record what happened.

YOU'LL NEED

• Book or Internet

• Notebook

QUEST COMPLETE

☐ I learned one timeless lesson.

☐ I applied it.

☐ I reflected on the experience.

BONUS CHALLENGE

Memorize the quote and explain it without looking.

IF YOU GET STUCK

Choose one simple idea rather than the most famous one.

SV-01 — CAMP COOK

YOUR QUEST

Today you will prepare a complete meal while practicing safe kitchen skills.

1. Choose one meal to prepare.
2. Gather everything before you begin.
3. Prepare the meal safely.
4. Clean your cooking area.
5. Enjoy your finished meal.

YOU'LL NEED

- Ingredients
- Kitchen tools
- Recipe (optional)

QUEST COMPLETE

☐ I prepared a meal.

☐ I cleaned my workspace.

☐ I practiced kitchen safety.

BONUS CHALLENGE

Plate your meal like a restaurant chef.

IF YOU GET STUCK

Keep your recipe simple and focus on doing each step well.

SV-02 — ROOM RESET

YOUR QUEST

A well-organized room is a strong base of operations.

Today you will transform your room into a place where everything has a home.

1. Throw away trash.

2. Put away anything that belongs somewhere else.

3. Make your bed.

4. Organize one difficult area.

5. Leave your room better than you found it.

YOU'LL NEED

• Trash bag

• Laundry basket

• Storage bins (optional)

QUEST COMPLETE

☐ My room is organized.

☐ Everything has a place.

☐ I finished the entire reset.

BONUS CHALLENGE

Rearrange one area to make it work even better.

IF YOU GET STUCK

Clean one small section completely before moving to the next.

SV-03 — BACKPACK SURVIVAL

YOUR QUEST

Imagine you must leave home for an unexpected adventure.

What would you bring?

Choose one situation:

• Hiking trip

• Camping trip

• Zombie outbreak

• Lost in the woods

• Power outage

Pack only what you think you would need.

Then explain why you chose each item.

YOU'LL NEED

• Backpack

• Household supplies

QUEST COMPLETE

☐ I packed my backpack.

☐ I explained my choices.

☐ I remembered important supplies.

BONUS CHALLENGE

Try to reduce your backpack weight while keeping everything important.

IF YOU GET STUCK

Think about water, food, shelter, light, and first aid first.

SV-04 — EMERGENCY RESPONSE

YOUR QUEST

When emergencies happen, calm thinking matters.

Today's Quest is to practice solving one emergency safely.

Choose one emergency:

• Small cut

• Nosebleed

• Sprained ankle

• Burn

• Earthquake

• Fire

Learn what experts recommend.

Then explain the steps in order.

YOU'LL NEED

• First aid kit

• Notebook

QUEST COMPLETE

☐ I learned the correct response.

☐ I explained the steps.

☐ I practiced staying calm.

BONUS CHALLENGE

Teach someone else what you learned.

IF YOU GET STUCK

Focus on one emergency instead of trying to learn them all.

SV-05 — TOOL TIME

YOUR QUEST

Every capable person should know how to safely use common household tools.

1. Learn what the tool is used for.

2. Practice using it safely.

3. Complete one small project.

4. Clean the tool.

5. Return it to its proper place.

YOU'LL NEED

Choose one safe tool:

• Screwdriver

• Hammer

• Tape measure

• Adjustable wrench

• Allen keys

QUEST COMPLETE

☐ I safely used a tool.

☐ I completed a project.

☐ I cleaned up afterward.

BONUS CHALLENGE

Learn how to use a second tool.

IF YOU GET STUCK

Watch one beginner demonstration before trying it yourself.

SV-06 — SURVIVAL ESCAPE

YOUR QUEST

Imagine you have become trapped in an unusual situation.

Can you think your way out?

Choose one scenario:

• Lost in the forest

• Snowstorm

• Desert

• Island

• Space station

• Secret laboratory

Write or draw how you would survive the first 24 hours.

YOU'LL NEED

• Notebook

• Household items

QUEST COMPLETE

☐ I created a survival plan.

☐ I solved several problems.

☐ I finished my scenario.

BONUS CHALLENGE

Add one unexpected problem and solve it.

IF YOU GET STUCK

Ask yourself: "What is the very first thing I need?"

SV-07 — HOME ENGINEER

YOUR QUEST

Today's Quest is to improve something around your home.

Find one small problem around the house.

Examples:

• Organize a drawer

• Label storage

• Fix loose items

• Improve a workspace

Ask permission if needed, then solve the problem.

YOU'LL NEED

Whatever your project requires.

QUEST COMPLETE

☐ I improved something.

☑ I left it better than before.

☐ I cleaned up afterward.

BONUS CHALLENGE

Solve a second small problem.

IF YOU GET STUCK

Walk through the house looking for something slightly annoying that could be improved.

SV-08 — MISSION CONTROL

YOUR QUEST

Capable people don't simply remember everything—they build systems that help them.

Today you will organize your future.

1. Add important dates to a calendar.

2. Create reminders.

3. Plan tomorrow.

4. Organize one list.

5. Check that everything makes sense.

YOU'LL NEED

• Calendar

• Planner

• Phone or tablet (optional)

QUEST COMPLETE

☐ I organized my schedule.

☐ I created reminders.

☐ I planned ahead.

BONUS CHALLENGE

Plan an entire week.

IF YOU GET STUCK

Start by planning only tomorrow.

SV-09 — FUEL YOUR BODY

YOUR QUEST

Food is fuel.

Today's Quest is to learn how different foods help your body.

1. Learn about protein, carbohydrates and fats.

2. Compare several foods.

3. Design one balanced meal.

4. Explain why you chose it.

5. Eat something healthy.

YOU'LL NEED

• Food labels

• Notebook

QUEST COMPLETE

☐ I learned about nutrition.

☐ I designed a healthy meal.

☐ I made one healthy choice.

BONUS CHALLENGE

Create a healthy menu for an entire day.

IF YOU GET STUCK

Think about eating a variety of different colors and whole foods.

SV-10 — SECRET AGENT

YOUR QUEST

Great observers notice details that other people miss.

Today you will complete a spy training exercise.

1. Observe one room for two minutes.

2. Leave the room.

3. Write down everything you remember.

4. Return and see what you missed.

5. Repeat with another location.

YOU'LL NEED

• Notebook

• Pencil

QUEST COMPLETE

☐ I completed two observation tests.

☐ I improved my memory.

☐ I noticed new details.

BONUS CHALLENGE

Ask someone to secretly change five objects before your second observation.

IF YOU GET STUCK

Look slowly from left to right instead of trying to remember everything at once.

MY-01 — GOOGLE EARTH VR EXPEDITION

YOUR QUEST

Today you will travel anywhere on Earth without leaving home.

Become an explorer and visit places most people never see.

1. Visit three different countries.

2. Explore one famous landmark.

3. Find one surprising location.

4. Spend time simply exploring.

5. Choose the place you would most like to visit someday.

YOU'LL NEED

• VR headset with Google Earth VR (or Google Earth if VR is unavailable)

QUEST COMPLETE

☐ I visited three locations.

☐ I explored somewhere completely new.

☐ I chose a favorite destination.

BONUS CHALLENGE

Visit the oldest city you can find and learn one interesting fact about it.

IF YOU GET STUCK

Don't rush. Wander until something captures your curiosity.

MY-02 — SCIENCE MUSEUM EXPEDITION

YOUR QUEST

Today's adventure takes you into a place built for curiosity.

Explore a science museum like a real explorer.

1. Visit at least five exhibits.

2. Try interactive displays whenever possible.

3. Find one exhibit you could spend an hour exploring.

4. Learn one completely new idea.

5. Tell someone about your favorite exhibit afterward.

YOU'LL NEED

• Science museum

• Notebook (optional)

QUEST COMPLETE

☐ I explored the museum.

☐ I discovered something new.

☐ I found a favorite exhibit.

BONUS CHALLENGE

Sketch one interesting machine or exhibit.

IF YOU GET STUCK

Choose the exhibit that looks the strangest.

MY-03 — WORLD FOOD CHALLENGE

YOUR QUEST

Every culture has its own stories, traditions, and foods.

Today you will experience one you've never tried before.

1. Choose a country whose food you've never tried.

2. Order something completely new.

3. Learn what the dish is called.

4. Learn where it comes from.

5. Decide whether you would eat it again.

YOU'LL NEED

• Restaurant or homemade meal

QUEST COMPLETE

☐ I tried something new.

☐ I learned about another culture.

☐ I kept an open mind.

BONUS CHALLENGE

Learn how the dish is traditionally prepared.

IF YOU GET STUCK

Ask the restaurant staff what they recommend.

MY-04 — NIGHT MISSION

YOUR QUEST

The world feels completely different after dark.

Tonight you will safely experience it.

1. Walk outside after sunset.

2. Listen quietly for five minutes.

3. Observe the night sky.

4. Find five things that look different at night.

5. Return and record your observations.

YOU'LL NEED

• Flashlight

• Adult approval

QUEST COMPLETE

☐ I explored safely at night.

☐ I observed carefully.

☐ I discovered something unexpected.

BONUS CHALLENGE

Identify one constellation.

IF YOU GET STUCK

Spend more time listening than looking.

MY-05 — SOLO MISSION

YOUR QUEST

Today you will demonstrate responsibility and independence.

Choose one approved independent activity.

Examples:

• Walk around the block safely.

• Visit a nearby park.

• Deliver something to a neighbor.

• Complete a small errand with supervision available if needed.

Follow every safety rule.

YOU'LL NEED

Nothing except permission.

QUEST COMPLETE

☐ I completed my task responsibly.

☐ I followed every safety rule.

☐ I stayed aware of my surroundings.

BONUS CHALLENGE

Navigate using only your memory instead of GPS.

IF YOU GET STUCK

If you become unsure, stop and ask for help immediately.

MY-06 — OPERATION: CLASSIFIED

YOUR QUEST

A sealed envelope has arrived.

Inside is a secret assignment created especially for you.

You do not know what the Quest will be until you open it.

Complete whatever challenge is inside.

1. Open the envelope.
2. Read your assignment.
3. Complete the Quest.
4. Report success.
5. Return the envelope for future use.

YOU'LL NEED

• Sealed Quest envelope

QUEST COMPLETE

☐ I accepted the unknown.

☐ I completed my assignment.

☐ I finished without giving up.

BONUS CHALLENGE

Create a future classified Quest for someone else.

IF YOU GET STUCK

Remember: every Secret Assignment is designed to be completed.

MY-07 — ESCAPE ROOM

YOUR QUEST

Your mind is your greatest survival tool.

Today you will solve puzzles to escape.

1. Search carefully.

2. Solve puzzles together.

3. Keep track of clues.

4. Escape before time runs out.

5. Discuss your best solution afterward.

YOU'LL NEED

• Escape room (real or home version)

QUEST COMPLETE

☐ I helped solve puzzles.

☐ I stayed calm.

☐ I escaped or made meaningful progress.

BONUS CHALLENGE

Design one escape room puzzle of your own.

IF YOU GET STUCK

Return to clues you've already found. Many puzzles become easier with fresh eyes.

MY-08 — ADVENTURE PASS

YOUR QUEST

Today's destination is unknown until someone chooses it.

An adventure awaits.

Go somewhere unexpected.

Examples:

• Aquarium

• Observatory

• Hiking trail

• Medieval fair

• Historic site

• New town

• Botanical garden

Explore with curiosity.

YOU'LL NEED

• Parent or trusted adult

QUEST COMPLETE

☐ I visited somewhere new.

☐ I explored with curiosity.

☐ I made a new memory.

BONUS CHALLENGE

Take one photo that best represents today's adventure.

IF YOU GET STUCK

Choose the place you've always said, "We should go there someday."

MY-09 — BRAVERY CHALLENGE

YOUR QUEST

Courage does not mean never being afraid.

Courage means doing something worthwhile even when you are nervous.

Choose one safe challenge.

Examples:

• Climb something you've never climbed.

• Speak to someone new.

• Perform for your family.

• Try something you've been avoiding.

YOU'LL NEED

Depends on your challenge.

QUEST COMPLETE

☐ I faced a fear.

☐ I stayed safe.

☐ I finished the challenge.

BONUS CHALLENGE

Write about how you felt before and after.

IF YOU GET STUCK

Being nervous is normal. Take one small step instead of one giant leap.

MY-10 — THE UNKNOWN

YOUR QUEST

Some adventures cannot be planned.

Today's Quest is whatever surprising opportunity appears.

Maybe someone invites you somewhere.

Maybe you discover an event.

Maybe a family member has an unexpected idea.

If it sounds like a real adventure...

Say yes.

QUEST COMPLETE

☐ I accepted an unexpected adventure.

☐ I tried something new.

☐ I stayed curious.

BONUS CHALLENGE

Tell the story of today's adventure in your Quest Binder.

IF YOU GET STUCK

Remember that the best adventures are often the ones you never planned.

GUILD BADGE SHEET

Cut out or mark these when a Guild is completed. Guild Badges are never spent.

QUEST TOKEN SHEET

Each completed Quest earns one Quest Token. Tokens may be exchanged for rewards.
